## Registration Package

# APRA

ALBERTA PLASTICS RECYCLING ASSOCIATION

---

***ADVANCING PLASTICS CIRCULARITY***

APRA facilitates partnership and programs to advance circularity across the plastics value chain:

**Vision:** A sustainable plastic circular economy where post-use plastic stays out of the environment and in the economy

**Mission:** To advance plastic circularity and progress and showcase Alberta as a sustainable place to do business

## Goals:

- Bringing value-added projects that progress plastics circularity
- Increasing the awareness of the plastics circular economy
- Providing advocacy leadership with policy makers on the plastics circularity chain

# *The Alberta Plastics Recycling Association is proud to present the 2<sup>nd</sup> annual Alberta Circular Plastics Day!*

## **What is the Alberta Circular Plastics Day?**

APRA is hosting the annual one-day conference focused on the future of plastics circularity in Alberta, called Alberta Circular Plastics Day. The day promises to provide:

- **information** for anyone interested in the plastics industry and advancing innovation in this sector.
- unique **networking opportunities** across all areas of the plastics value chain including speakers and exhibitors from a variety of companies and organizations directly involved in the circular plastics economy.
- focused exploration on policy, advocacy, innovation, and success stories in Alberta, Canada, and around the world with connections to Alberta Plastics Circular Economy.

## **Who will be there?**

- Members and non-members of APRA including resin producers, recyclers, manufacturers, non-profit organizations, industry associations and academics
- Members of the plastics value chain from across Canada
- Delegates from various levels of government
- Others who wish to learn more about the circular plastics economy in Alberta

## Program Schedule

ACPD 2024 will be held at NAIT's Productivity and Innovation Centre in Edmonton, Alberta on March 14, 2024. The day will run from approximately 8:00 a.m. to 4:00 p.m., with an optional networking reception at the same venue following the day's events. A full detailed program and schedule will be launched in 2024.
